Crochet Bell Ornament: Free Crochet Pattern

Finished Size & Skill Level

- **One size:** approximately 3.5 in (9 cm) tall, not counting the hanging loop, and 3 in (7.5 cm) across the rim
- **Skill level:** Easy - single crochet in joined rounds with simple increases and a scallop edge
- **Time:** one evening

Materials

- **Worsted-weight (#4) yarn** - about 30 yds (27 m) in your main color, plus a small amount of a contrast color for the rim (optional)
- **US G-6 (4.0 mm) crochet hook** - so the fabric is dense enough to hold the bell shape
- **One small gold jingle bell** (about 0.75 in / 2 cm) for the clapper, or a small wooden bead for a baby-safe version
- Yarn needle, scissors, stitch marker

Abbreviations (US Terms)

- **ch** = chain | **st(s)** = stitch(es) | **sc** = single crochet (UK: double crochet)
- **sl st** = slip stitch | **dc** = double crochet
- **inc** = increase (2 sc in same st) | **sk** = skip
- **MR** = magic ring

Gauge

Gauge is not critical for this project, but your fabric should be firm enough to hold the flared bell shape. If the sides collapse inward, try a smaller hook.

Pattern Notes

- This is an original CrochetRooms pattern. The bell is worked from the top down in joined rounds.
- Join each round with a sl st to the first stitch and chain 1 to begin the next round. The chain 1 does not count as a stitch.
- Place a stitch marker in the first stitch of each round until the shaping feels familiar.
- All stitch counts are given in parentheses at the end of each round.

Bell Body

With your main color, start with a magic ring.

Round 1: 6 sc in MR. Join with a sl st to the first sc. (6 sc)

Round 2: Ch 1. Inc in each st around. Join. (12 sc)

Round 3: Ch 1. *Sc in next st, inc in next st; repeat from * around. Join. (18 sc)

Round 4: Ch 1. *Sc in next 2 sts, inc in next st; repeat from * around. Join. (24 sc)

Rounds 5-6: Ch 1. Sc in each st around. Join. (24 sc)

Round 7: Ch 1. *Sc in next 3 sts, inc in next st; repeat from * around. Join. (30 sc)

Rounds 8-9: Ch 1. Sc in each st around. Join. (30 sc)

Round 10: Ch 1. *Sc in next 4 sts, inc in next st; repeat from * around. Join. (36 sc)

Round 11: Ch 1. Sc in each st around. Join. (36 sc)

Scalloped Rim

Change to your contrast color if using one.

Round 12: Ch 1. *Sk 1 st, 5 dc in next st, sk 1 st, sc in each of next 3 sts; repeat from * 5 more times. Join with a sl st to the first sc. (6 scallops)

Fasten off and weave in the end. The rim should wave gently outward like the lip of a real bell.

Hanging Loop

Join yarn with a sl st at the top of the bell, in the center of Round 1.

Chain 25. Sl st into the same stitch where you joined to form a loop. Fasten off and weave in the end. The loop is about 4 in (10 cm) long, enough to hook over any branch.

Clapper

Cut a 6 in (15 cm) length of yarn. Thread the jingle bell onto it and tie a firm knot above the bell so it cannot slip off. Thread the other end through the top of the bell from the inside, pull it until the bell hangs about 1 in (2.5 cm) below the rim, and tie it securely to the top stitches on the inside. Trim the excess.

For a baby-safe ornament, tie a small yarn tassel to the cord instead of the jingle bell.

Finishing

Check that the bell flares evenly and the scallops sit flat. Weave in all remaining ends. Give the bell a gentle shake: it should ring softly. Your crochet bell ornament is ready for the tree.
