Crochet Christmas Tree Pattern

Finished Size & Skill Level

- About 8.5 in (21.5 cm) tall x 5.5 in (14 cm) across the base
- **Skill level:** Beginner - magic ring, single crochet, increases, decreases, working in rounds
- **Time:** about 3-4 hours for the tree, plus decorating time

Materials

- **Worsted-weight (#4) yarn in green:** approx 180 yds (165 m) - one skein
- Small amount of brown yarn for the trunk (optional)
- **5 mm (US H-8) crochet hook** - or 4.5 mm for a firmer tree
- Polyester fiberfill stuffing, yarn needle, scissors, stitch marker
- Decorations: small buttons, beads, mini pom-poms, star button for the top

Gauge

16 single crochet stitches = 4 in (10 cm). For a tree that stands up on its own, your stitches should be tight with no stuffing showing through. If you can see gaps, drop down a hook size.

Abbreviations (US Terms)

- **MR** = magic ring | **sc** = single crochet (UK: dc)
- **inc** = 2 sc in same st | **dec** = sc 2 together
- **BLO** = back loop only | **st(s)** = stitch(es)

Work in continuous rounds. Mark the first stitch of each round with a stitch marker.

Round 36: [Dec] around. (12)

Round 37: [Dec] around. (6)

Fasten off, thread the tail through the remaining stitches, pull tight, and weave in the end.

Trunk (optional)

With brown yarn, 6 sc in MR, then sc around for 4 rounds. Fasten off and sew centered under the base.

Decorating Ideas

- Sew small buttons around the tree as ornaments, using odd numbers for a natural look.
- String tiny beads on yarn and wrap as a garland.
- Top with a star button or a small crocheted star.
- Add French knots in gold yarn for tiny lights, or a sprinkle of white beads as snow.

Finishing

- Weave in all ends.
- Shape the tree with your hands, fluffing it into a neat cone.

- If the tree wobbles, sew a small cardboard circle inside the base for extra stability.
