

CrochetRooms

Hooded Snood

Finished Size and Skill Level

- One adult size: neck circumference 28 in (70 cm).
- Hood depth from forehead edge to back neck: about 20 in (50 cm); shorter edge under the chin: about 10 in (25 cm).
- Skill level: Easy. You should be comfortable working in the round and in rows.

Materials

- Heavy worsted, aran, or light chunky weight yarn (#4-5): about 270-290 yards (250-265 m).
- 8 mm crochet hook, or size needed to obtain gauge.
- Tapestry needle, scissors, stitch marker.

Gauge

11 single crochet (worked in the back loop) and 10 rows = 4 in (10 cm) using an 8 mm hook. Take time to check your gauge: if your swatch is smaller, go up a hook size; if it is larger, go down a hook size.

Abbreviations (US Terms)

- ch = chain | sc = single crochet (UK: double crochet) | BLO = back loop only | sl st = slip stitch | st(s) = stitch(es) | sc2tog = single crochet 2 together (decrease) | rep = repeat

Pattern Notes

The chain-1 at the start of a round does not count as a stitch. The cowl is worked in joined rounds, then the hood is worked in rows to leave a face opening. Work with relaxed tension so the fabric drapes softly.

Cowl

Round 1: Ch 77, join with a sl st to the first ch to form a ring, taking care not to twist the chain. (77 sts = about 28 in)

Rounds 2-16: Ch 1 (does not count as a st), sc BLO in each st around, join with a sl st to the first sc. (77 sts)

The cowl now measures about 6.5 in deep. For a taller cowl, work a few extra rounds here.

Hood (Worked in Rows)

The face opening is made by leaving the front 21 sts unworked. Join yarn in the next st after the skipped sts.

Rows 1-14: Ch 1, sc BLO in each of the next 56 sts. Turn. (56 sts; the panel measures about 5.5 in tall)

Crown Seam

Fold the top edge of the hood panel in half so the two halves meet (28 sts on each side). Using the tapestry needle and a length of yarn, whipstitch the folded edge closed through both layers.

Fasten off.

Face Edging

Join yarn at one bottom corner of the face opening.

Round 1: Ch 1, work sc evenly around the face opening: work 1 sc in each of the 21 skipped sts across the bottom and 2 sc in the end of each row up both sides. Join with a sl st to the first sc.

Rounds 2-3: Ch 1, sc BLO in each st around, join with a sl st to the first sc. Fasten off.

Finishing

Weave in all ends with the tapestry needle. Wear the hood pulled up on cold days or pushed down as a cozy cowl around your neck.
