Mini Amigurumi Heart Pattern

Finished Size & Skill Level

- About 2 in (5 cm) wide x 2.5 in (6 cm) tall
- **Skill level:** Beginner - magic ring, single crochet, increases, decreases, joining pieces
- **Time:** about 1 hour, a perfect scrap-yarn evening make

Materials

- **Worsted-weight (#4) yarn:** about 20 yds (18 m) in pink, red, or any color you love
- **3.5 mm (US E-4) crochet hook**
- One pair of **6 mm safety eyes** (optional, for a face)
- Polyester fiberfill stuffing
- Stitch marker, yarn needle, scissors
- Black embroidery thread for an optional smile

Gauge

Gauge is not critical for amigurumi. Work tightly enough that no stuffing shows through the stitches. If you can see fiberfill between stitches, switch to a smaller hook.

Abbreviations (US Terms)

- **MR** = magic ring
- **sc** = single crochet (UK: dc)
- **inc** = increase: 2 sc in the same stitch
- **dec** = decrease: single crochet 2 stitches together (invisible decrease recommended)
- **sl st** = slip stitch | **st(s)** = stitch(es)

Work in a continuous spiral. Do not join rounds; move your stitch marker up each round.

Top Domes (Make 2)

Round 1: 6 sc in MR. (6)

Round 2: Inc in each st around. (12)

Rounds 3-4: Sc in each st around. (12)

Fasten off the first dome. Do NOT fasten off the second dome: you will continue with it to join the two pieces.

Joining the Domes

Round 5: With the second dome still on your hook, sc 12 around the second dome, then continue straight into the first dome and sc 12 around it. (24)

If the join leaves a small gap between the domes, you will sew it closed at the end.

Round 6: Sc in each st around. (24)

Optional face: insert the 6 mm safety eyes between Rounds 6 and 7, about 4 stitches apart, centered on the front of the heart.

Round 7: (2 sc, dec) x 6. (18)

Round 8: Sc in each st around. (18)

Round 9: (Sc, dec) x 6. (12)

Stuff the heart firmly now, pushing fiberfill into both domes and the point.

Round 10: Sc in each st around. (12)

Round 11: Dec in each st around. (6)

Fasten off. Thread the tail through the front loops of the last 6 stitches, pull tight to close, and weave in the end.

Finishing

- Use the fastened-off tail of the first dome to sew closed any small gap between the two domes at the top.
- Weave in all remaining ends, hiding them inside the heart.
- Optional: with black embroidery thread, stitch a tiny smile below the eyes.

Safety note: safety eyes are not suitable for children under 3. For babies and toddlers, embroider the eyes instead.
