Plush Chenille Bunny Pattern

Finished Size & Skill Level

- About 7 in (18 cm) tall, not counting the ears
- **Skill level:** Beginner - magic ring, single crochet, increases, decreases, simple sewing
- **Time:** about 2-3 hours; plush yarn works up very fast

Materials

- **Bulky weight (#5) chenille or velvet yarn:** about 90 yds (82 m) in your main color
- **4.5 mm crochet hook**
- One pair of **10 mm safety eyes**
- Polyester fiberfill stuffing
- Stitch marker, large-eye yarn needle, scissors, pins for positioning
- Pink embroidery floss for the nose

Gauge & Plush Yarn Tips

Gauge is not critical, but the fabric must be tight enough that no stuffing shows through. If you can see fiberfill between stitches, go down a hook size. Plush yarn hides its stitches, so count by feel: run your finger along the top edge of each round to feel each V, and move your stitch marker up every single round. Stuff this bunny lightly: it should feel pillowy and huggable, not firm.

Abbreviations (US Terms)

- **MR** = magic ring
- **sc** = single crochet (UK: dc)
- **inc** = increase: 2 sc in the same stitch
- **dec** = decrease: single crochet 2 stitches together (invisible decrease recommended)
- **sl st** = slip stitch | **st(s)** = stitch(es)

Work in a continuous spiral. Do not join rounds; move your stitch marker up each round.

Round 2: Inc in each st around. (12)

Rounds 3-4: Sc in each st around. (12)

Round 5: (Sc, dec) x 4. (8)

Face & Finishing

- With pink embroidery floss, stitch a small triangle nose centered below the eyes, plus a short vertical line beneath it.
- Pin every piece in place before sewing so the bunny is symmetrical.
- Weave in all remaining ends, hiding them deep inside the body.

Safety note: safety eyes are not suitable for children under 3. For babies and toddlers, embroider the eyes instead.
