Temperature Blanket Crochet: Free Crochet Pattern

Finished Size & Skill Level

- **One size:** approximately 60 in (152 cm) wide x 81 in (206 cm) long after 365 daily rows
- **Skill level:** Easy - one row of single crochet per day, all year
- **Time:** 12 months, about 15 minutes a day

Materials

- **Worsted-weight (#4) acrylic yarn** - about 2,900 yds (2,652 m) total across 8 to 10 temperature colors; start with one skein per color and restock the popular bands
- **US I-9 (5.5 mm) crochet hook** - gives a soft, drapey single crochet fabric
- A yarn needle, scissors, and a small notebook to log each day's temperature

Abbreviations (US Terms)

- **ch** = chain | **st(s)** = stitch(es) | **sc** = single crochet (UK: double crochet)
- **RS** = right side

Gauge

14 sc and 18 rows = 4 in (10 cm) with worsted-weight yarn and a 5.5 mm hook. Single crochet is the shortest basic stitch, which keeps 365 rows at a livable 81 in long.

Pattern Notes

- This is an original CrochetRooms pattern. Crochet one row per day in the color matching that day's high temperature, using the same weather source all year.
- Record the date and temperature in your notebook each day; missed days can be caught up from your weather app's history.
- Change colors at the end of a row. Weave in ends as you go, a few each week, so finishing is painless.

Temperature Color Chart (Daily High, Fahrenheit)

- Below 20 F - ice blue | 21-30 F - light blue | 31-40 F - teal | 41-50 F - green | 51-60 F - yellow-green
- 61-70 F - yellow | 71-80 F - gold | 81-90 F - orange | 91-100 F - red | Above 100 F - burgundy
- Adjust the bands to your climate so every color gets used. Mark special days with a metallic or sparkle row.

Blanket

Foundation: With any color, ch 211.

Row 1: Sc in 2nd ch from hook and in each ch across. (210)

Rows 2-365: Ch 1, turn, sc in each st across. (210) Work one row per day in that day's temperature color.

After Row 365 the blanket measures about 60 in (152 cm) wide x 81 in (206 cm) long. Fasten off.

Edging (Optional)

With a neutral color, work one round of sc evenly around the entire blanket, working 3 sc in each corner, to frame the stripes. Fasten off.

Finishing

Weave in all ends along the back of same-color stripes. Lay flat to relax the stitches. Keep your temperature log with the blanket; together they tell the story of your year.
