- Worsted weight (4) cotton yarn, for example Lily Sugar 'n Cream. About 200 yards in total across 2 skeins.
- Crochet hook: size F/5 (3.75 mm)
- One button for the closure
- Finishing needle
- Scissors

GAUGE

16 single crochet stitches and 17 rows = 4 inches.

FINISHED SIZE

Approximately 10.5 inches wide by 7 inches tall.

ABBREVIATIONS

ch: chain

fsc: foundation single crochet

sc: single crochet

sl st: slip stitch

st: stitch

PATTERN NOTES

- The case is made in three flat pieces, all worked in rows of single crochet: a base, a bottom pocket, and a top flap.
- Every piece is 40 stitches wide, so no increases or decreases are needed anywhere.

- The turning chain at the start of a row does not count as a stitch.
- The pocket divisions are sewn to fit the hooks you own, so count your hooks first and space the pockets to match.

BASE

Foundation single crochet 40. This counts as Row 1.

Rows 2 to 28: Work 1 single crochet in each stitch across. (40 sc)

28 rows in total. The base measures about 10 inches wide by 6 inches tall.

Fasten off.

BOTTOM POCKET

Foundation single crochet 40. This counts as Row 1.

Rows 2 to 14: Work 1 single crochet in each stitch across. (40 sc)

14 rows in total.

Fasten off.

TOP FLAP

Foundation single crochet 40. This counts as Row 1.

Rows 2 to 9: Work 1 single crochet in each stitch across. (40 sc)

9 rows in total.

Fasten off.

ASSEMBLY

- Lay the base flat with the right side facing up.
- Place the bottom pocket on top of the base, lining up the bottom edge and both side edges. Pin in place.
- Place the top flap on top of the base, lining up the top edge and both side edges. Pin in place.
- Border: Join yarn at any corner. Work 1 single crochet in each stitch around the whole outside edge, working through both layers where the pocket and flap meet the base, and work 2 single crochet in each corner stitch to turn the corner neatly. Join with a slip stitch in the first stitch of the round. Fasten off.
- Pocket divisions: Lay your hooks on the pocket and mark where each pocket should end. Sew a straight vertical seam from the top edge of the pocket down to the bottom edge at each mark, making 9 to 11 pockets sized for your hooks, from a C hook of 2.75 mm up to an M or N hook of 9.0 mm.

BUTTON LOOP CLOSURE

- Find the center stitch of the top edge of the flap.
- Slip stitch in the stitch 3 stitches back from the center, chain 15, then slip stitch in the same stitch to join, forming a loop. Slip stitch in the next 2 stitches, then fasten off and weave in the end.
- Sew the button on the front of the case, opposite the loop, so the loop closes over it with the case rolled up.

FINISHING

- Weave in every yarn end neatly on the back of the work.
- Slip your hooks into the pockets and roll the case up. Check that the loop reaches the button and holds the roll shut.
- Press or block lightly if you wish, laying the case flat until dry, to help it lie straight.
